TO: Steve Sander

DATE: May 22, 1984

FROM: Lynda Buckley

SUBJECT: Van Waters & Rogers

Please find attached copies of eleven manifests which show the generator as Rogue Technical Services; transporter, Van Waters & Rogers; TSD, McClary Columbia. Please note all signatures for storage facility show Cummings Transfer/C. Lutz.

I phoned Helen at Van Waters & Rogers on May 22, 1984 (the Portland office) to inquire who Cummings Transfer was. She informed me that Cummings Transfer owns a lot in Medford the Van Waters & Rogers rents. The purpose of renting this lot is to store hazardous waste until there has been enough collected to make a consolidated shipment to the Portland site. Helen also stated that they only stored within the 90 day period and therefore did not need to permit that site. As I am not familiar with the rules, I ended the conversation there and am turning the matter over to you.
